

TABLE 2: PRIORITY AND FOCUS SCHOOLS

Total number of priority schools: 61 Total number of focus schools: 121

Total number of Title I schools in the state: 1207

Total number of Title I-participating high schools in the state with graduation rates less than 60 percent: 4

Kev

Priority School Criteria:

• A priority school is among the lowest-performing Title I schools in the state for overall achievement in English language arts and mathematics on state assessments over the past three years, or is a Title I participating or eligible high school and has had a graduation rate below 60 percent for the past three consecutive years. Previously identified priority schools may also be identified if they failed to meet the requirements outlined in the flexibility waiver for exiting priority status. The total number of priority schools is at least five percent of all Title I schools in the state.

Focus School Criteria:

• A focus school is a Title I school whose super subgroup is among the lowest-performing in the state over the past three years according to state assessment results. Previously identified focus schools may also be identified if they failed to meet the requirements outlined in the flexibility waiver for exiting focus status. The total number of focus schools is at least ten percent of all Title I schools in the state.
